KRV Trail

Connections

The Kalamazoo River Valley Trail will encompass 35 miles of trail throughout Kalamazoo County. Kalamazoo will be a regional hub, connecting Battle Creek to Lake Michigan, D Avenue to Portage, and eventually Lake Michigan to Lake Huron. This existing trail and planned trails in other counties will connect more than 140 miles of trails—connecting together the Battle Creek Linear Park, the Kal-Haven Trail, and the Portage Bicentennial Park Trail.

Currently, there are 22 miles complete of this non-motorized, paved-asphalt trail. One stretch begins at 10th Street, heading east from the Kal-Haven Caboose and stretching 4.8 miles to Westnedge Ave. You can also enjoy a section that connects 35th St. in Galesburg to D Avenue, traveling through River Oaks County Park, Mayors' Riverfront Park, Verburg Park, along Riverview Dr., and heading north along Markin Glen County Park and the Kalamazoo Nature Center. These two segments are connected by a signed-route throughout downtown Kalamazoo, featuring the Arcadia Creek Festival Place as well as many places to eat and shop. As funds and property become available the trail will continue to grow, realizing a vision that has been in the works since 1991.

Operated as a Kalamazoo County Park, the KRV Trail is free to use and offers something for everyone. Whether you're looking for a relaxing family stroll, a journey into nature, an extensive workout or a bike route to work—the KRV Trail awaits your visit.

For more information please call 269-383-8778, or visit www.krvtrail.com.

The KRV Trail is ADA compliant, and motorized and non-motorized mobility devices are allowed for reasonable and equitable access by persons with a disability who require the use of such mobility devices.

Portage Bicentennial Park Trail

The Bicentennial Park Trail in Portage winds over 4 miles following Portage Creek at Kilgore Road, south to the Celery Flats Interpretive Center and Portage City Centre. It's a paved surface and provides access to the 57-mile Portage Bikeway system. For additional information, please call (269) 329-4522, or visit www.portagemi.gov and click on the Parks and Recreation Department.

Gull Road Path
 The Gull Road Path stretches from Riverview Drive into Richland following Gull Road. The Path uses a combination of sidewalks and a paved asphalt surface, totaling about eight miles.

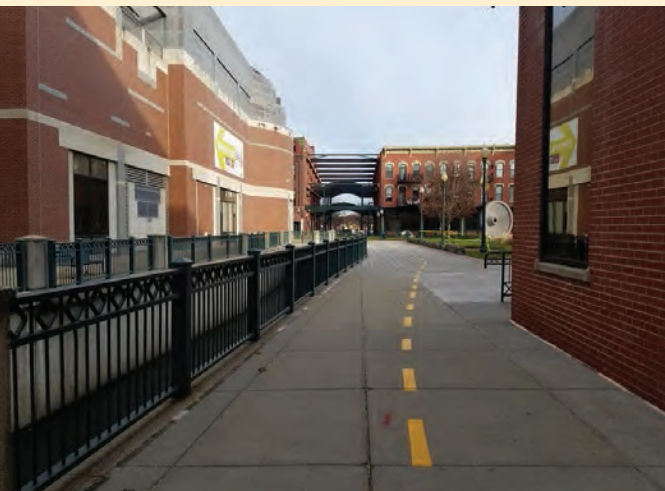

The Great Lake-to-Lake Trail Route 1
 The Great Lake-to-Lake Trail Route 1 extends from South Haven to Port Huron and is comprised of 18 trails with 198 miles already in place. Route 1 will eventually total 315 miles across the State of Michigan. When complete, the KRVT will comprise 35 miles of the Great Lake-to-Lake Trail Route 1.
