

SCAMS - HOW TO SPOT A SCAM

Con artists are notorious for using various schemes to trick consumers into providing money or personal information.

It does not matter what a person's social or economic status is, **ANYONE** can be a victim.

Please share this information with your family and friends to help prevent them from losing their life savings.

Please keep these points in mind:

-  The Consumer Protection Act does not apply to situations in which a business is providing goods, property, or service to another business.
-  The Michigan Supreme Court has held that the Consumer Protection Act **DOES NOT APPLY** to licensed or regulated activity.
-  For business complaints, also contact the Better Business Bureau in your area or file a complaint online at www.bbb.org/us
