

Dog Licenses

- All dogs 4 months of age or over must be licensed. Between December 1 and March 1 only, most area vets, township/city offices, and the Kalamazoo County Treasurer are selling our tags. After March 1st, you can only purchase your tags directly from Animal Services.
- New dogs over 4 months of age must be licensed within 30 days of obtaining ownership
- Licenses must be purchased each year between December 1 and March 1. If not, you could be cited for Failure to Buy Dog License and be penalized with late charges.
- Dogs turning 4 months old after March 1 must obtain a license within 30 days of turning 4 months old
- Each dog to be licensed must have proof of a current rabies vaccination (this can be done as early as 3 months of age)
- Licenses are not transferable to another dog
- There is a substantial savings for dogs that are spayed or neutered (we will need proof of this as well)
