

CERTIFICATION OF ADEQUATE OUTLET

(Required for 425 and 433 Agreements)

Kalamazoo County, Michigan

"I, _____, a Licensed Professional Engineer in the State of _____, do hereby certify that:

1. The lands to be developed naturally drain into the area served by the existing drain, or that the existing drain is the only reasonably available outlet for the drainage from the lands to be developed.
2. There is adequate capacity in the existing drain to service lands to be developed without detriment or diminution of drainage service provided or to be provided in the foreseeable future to the area in the existing district.
3. Discharge from the development shall not cause adverse impact to offsite property due to concentrated runoff or ponded water of greater height, area, and duration.
