

JUMP ON BOARD

Join Us for a Tour of Green Infrastructure in Kalamazoo County

Choose either an afternoon or an evening bus tour showcasing trends in innovative stormwater management and green infrastructure and discover how these can reduce flooding, save taxpayers money, protect our water resources, and enhance our quality of life.

TUESDAY, AUGUST 8

Western Michigan University, Heritage Hall
1903 W Michigan Ave, Kalamazoo
5:00 PM | Dinner
6:00 - 8:00 PM | Tour
Reception immediately following

Tour sites include: *WMU's Heritage Hall underground stormwater storage, solar array and pervious surfaces at Sangren Hall, retention wetlands, bioswales, rain gardens, and other practices.*

THURSDAY, AUGUST 17

Riverview Launch
1523 Riverview Dr, Kalamazoo
12:30 PM | Lunch
1:30 - 4:30 PM | Tour
Reception immediately following

Tour sites include: *Kalamazoo Valley Community College Texas Township campus green roof, biofiltration, green space retention area, and water re-use system, as well as innovative stormwater and flood management practices at their Culinary and Allied Health campus and Kalamazoo Valley Museum.*

There is no cost to attend the event thanks to the financial support of our sponsors. **Each tour is limited to 45 participants and pre-registration is required.** Space is still available!

Join us for dinner or lunch and a bus tour of innovative projects in and around Kalamazoo which demonstrate successful collaboration on water capture and reuse, flood control, stormwater management, and often beautiful landscapes.

Project managers and local engineering firms will be on hand to explain each site. Join us for a relaxed networking reception immediately following the tour to answer questions about using green infrastructure practices to enhance communities and new development.

Thank you to our reception sponsors Kieser & Associates and Prein & Newhof. A special thanks to Western Michigan University for their sponsorship and use of their stunning Heritage Hall.

The tour is designed for elected officials, managers, planners, public works supervisors, and other local governmental decision makers. All other interested parties are also welcome!

Please RSVP to the Kalamazoo County Drain Commissioner's Office to reserve your spot:
