

Methamphetamine Program - Monthly Property Status Report

This report summarizes the status of all 1129 properties that have confirmed Methamphetamine activities in Kalamazoo County since November 2004.

The records in red typeface are those Methamphetamine activities that have occurred in the past 30 days from the date of this report.

(Please Note: These numbers may vary from month to month and this report includes Methamphetamine activities associated with vehicles, dump sites, and miscellaneous sources.)

Report current as of : **Wednesday, June 05, 2019**
