Western Michigan University SENIOR DAY SERVICES is an adult day program designed to serve individuals with cognitive or functional impairments that need special assistance or supervision during the day. Provide organized activities in a community setting and safe environment. Provide care for those who have Alzheimer's or other forms of dementia, have developmental disabilities or cognitive impairments, and/or have chronic illness/disease or issues with mental health. Dignified assistance is provided with personal care as needed.

Daily lunch and snacks included, and special diets are accommodated. WMU students, interns and faculty of various departments assist in caring for guests. Staff are certified dementia practitioners or trained dementia care program assistants.

Cost for a full day is \$84 (3 hours or more). Half days are \$42 (3 hours or less). Transportation via Metro County Connect (may be included in rate) is \$3 to \$4 per ride. Financial assistance may be available through the Area Agency on Aging, Veterans Administration or Community Mental Health. (Contracts with both MiChoice Waiver agents for Kalamazoo County.)
