Creating Confident Caregivers is an empowering, educational program for those caring for loved ones with dementia or memory loss. This unique, 6-week training uses the university tested Savvy Caregiver Program and provides participants with information and resources to better manage the stress of caregiving. Class (2 hours) meets weekly for six weeks in a small group setting with a professional facilitator. Provides participants with information and resources to better manage the role of caregiving. Classes are held at various locations throughout Kalamazoo County, a few times per year. Call or see website for details.
