

## 2023 Kalamazoo County Q3 STI Update

### STI Testing

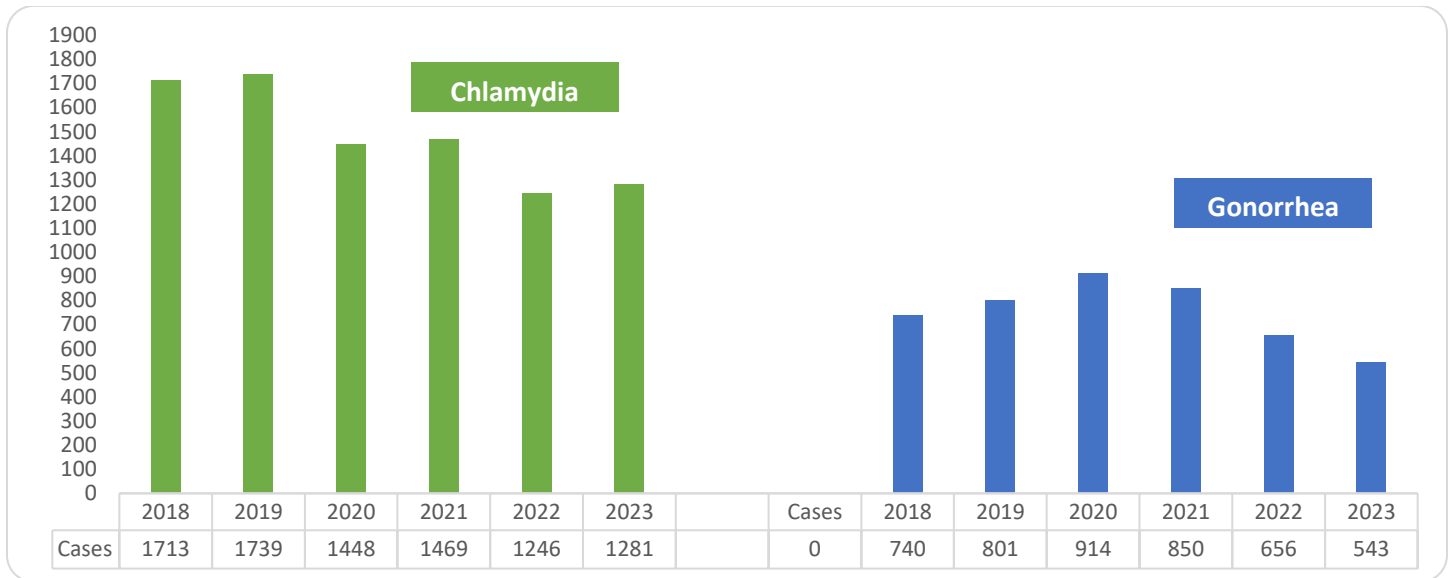

You can get tested for STIs at your doctor's office, a community health clinic, or your local health department. How much you pay for STI testing depends on where you go, what tests you need, your income, and whether you use health insurance. [Find fast and confidential testing near you.](#) For more information about the Kalamazoo County HCS STI clinic, [click here.](#)

### Data Notes

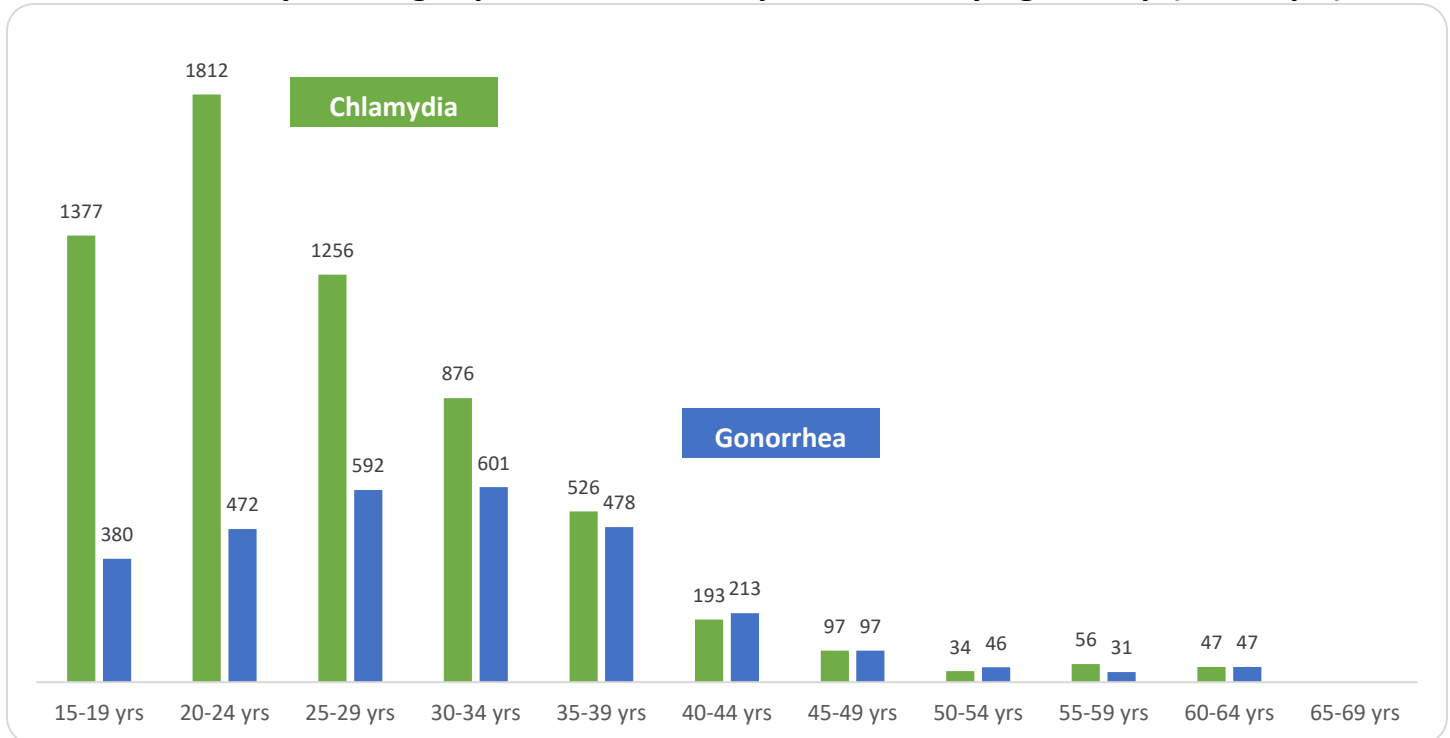

The data source for this report is the Michigan Disease Surveillance System (MDSS); accessed on 10/30/23. Data has not been finalized, case counts and other information may change during the course of the disease investigation. Maps of rates per 100,000 by county were produced by the MDSS.

**Report Date: 11/1/23**
