

Instructions for Completing a Commercial Sewage Treatment Permit Application

- Fill out the application and supplemental commercial information form completely. An incomplete or inaccurate application will be returned to you prior to our office initiating any work. This may delay the issuance of the permit.
 - Submit application and [fee](#) to:
 - By Mail:** Kalamazoo County Health & Community Services Department
Environmental Health Unit
311 East Alcott Street
Kalamazoo, MI 49001
 - By Fax:** (269) 373-5333
 - By E-Mail:** ehincoming@kalcounty.com
 - Payment can be made with cash, check (payable to *Kalamazoo County Health & Community Services Department*), or credit card. **Credit Card Payment:** For secure payment, submit the Credit Card Authorization Form to Kalamazoo County Environmental Health by FAX or MAIL only.
 - If the review and field work for issuance of your permit exceeds four hours of time and/or more than four site visits will be required, you will be contacted for an additional permit payment of \$90.00 per each additional hour and/or additional site visit. This additional fee must be paid prior to the permit being issued.
 - In the case of new construction, mark the property at roadside and the proposed building corners with flagging tape.
 - Please indicate on the application form if you wish to be present for the evaluation. You will be contacted upon receipt of the application to schedule an appointment. **Prior to a site visit, this office will contact Miss Dig to request utility staking. Please allow 3 business days for staking.**
 - If there is a buried well head on your property or on a neighboring property, it may be necessary for you to uncover each buried well head to insure the permitted sewage treatment system will be a minimum of 50 feet away. If this is necessary, it will be your responsibility to perform this work. Your permit will not be issued until the wellhead is uncovered and inspected by the Health & Community Services Department.
 - Your permit will be mailed (and faxed or e-mailed, if requested) to you upon completion.
- NOTE:** In accordance with P.A. 451 of 1994, any earth change activity within 500 feet of a water body including a lake, stream or county drain requires an Earth Change Permit. For more information call the Soil Erosion and Sedimentation Control Office at (269) 384-8117.
