

1.11 Demographic Summaries by Area

This section contains tables of demographics in tables by Minor Civil Division (cities and townships) in Kalamazoo County. The first table has demographic information for Kalamazoo County as a whole.

Most of the statistics presented in these summary tables have been presented in the preceding topic area sections of the Demographics report; however, these tables provide a quick reference on all topics together for each area. For further interpretation and explanation of what any of the statistics represent, please refer to the topic area sections 1.1 through 1.10.

Minor Civil Divisions in Kalamazoo County (Cities and Townships)

1.11.1 Kalamazoo County

Total Population Estimate, 2011: 252,074

Change in Total Population			Educational Attainment		
	Number	% Change 2000 to 2010		Number	% of Total Population
Population in 2000	238,603	5.3%	Age 25 years and older, no H.S. diploma or G.E.D.	12,732	8.2%
Population in 2011	252,074				
Median Age			Presumed dropouts:		
	Years		16-19 year-olds not enrolled in school, no H.S. diploma or G.E.D. and not employed:	437	% of Age Group 2.6%
