Medical providers who have agreed to participate in BCCCP will provide all or a portion of the enrollment, screening examination, diagnostic and consultation services for eligible women. Payment for the services described in the contract will be made by the State of Michigan at the standard Medicare based rates set annually by the Michigan Department of Community Health.

**DESCRIPTION OF SUBJECT**

HCS's BCCCP program will provide follow-up care and treatment for Pink Saturday program participants who are not current participants enrolled in HCS's BCCCP caseload. HCS will coordinate care in order to provide these participants with services such as follow-up radiology, surgeon consultations and breast biopsies.

**RELATIONSHIP TO GOALS**

HCS works to improve the overall health of the community by reducing preventable disabilities and deaths. Deaths from breast cancer are preventable, and this program assists underserved women in obtaining early diagnosis of breast cancer.

No County funds are required as a result of this action. Reimbursement for services will be from the West Michigan Cancer Center for services rendered.

**PERSONNEL**

There are no additional personnel associated with this request.

## **C. REQUEST FOR PAID INTERN POSITION IN HEALTH & COMMUNITY SERVICES (HCS) EMERGENCY PREPAREDNESS PROGRAM**

### **ACTION REQUESTED**

HCS Administration requests Board approval of a paid intern position in the Emergency Preparedness Program at a total cost not to exceed \$5,180.00.

### **DESCRIPTION OF SUBJECT**

A paid internship position is requested for up to a maximum of 370 hours; schedule will be negotiated according to intern's availability and program needs. This position will work with the Emergency Preparedness Coordinator to assess HCS's capacity and capability to plan for, respond to, and recover from public health emergencies. It is expected that this position will be filled with a student seeking a degree in Biomedical Sciences or a related field.

### **RELATIONSHIP TO GOALS**

Approval of this internship will further the Department's goal to improve the overall health of the community by reducing preventable disease and deaths.

### **FUNDING SOURCE**

No county funds are associated with this request. Funding for reimbursement is from the Office of Emergency Preparedness through Public Health Emergency Response dollars through Project Public Health Ready.

### **PERSONNEL**

HCS will work with Kalamazoo College or Western Michigan University to place the intern in this internship. The intern will be paid \$14 per hour plus fringe rate.

### **PROCUREMENT**

There is no procurement associated with this request.

## **ISSUES/CONCERNS**

There are no issues or concerns. If you have any questions, please contact Jeannie Byrne, Emergency Preparedness Coordinator at 373-5025 or at [jkbyrn@kalamazoo.org](mailto:jkbyrn@kalamazoo.org).

## **D. APPROVAL OF A CONTRACT FOR PROFESSIONAL SERVICES WITH STRICK STRICKLAND AND THE COUNTY OF KALAMAZOO THROUGH ITS HEALTH & COMMUNITY SERVICES DEPARTMENT**

### **ACTION REQUESTED**

HCS Administration requests Board approval of a contract for Professional Services with Strick Strickland who will provide coordination and programming services for the Young Adult Diversion Court (YADC) effective September 3, 2013 for a total consulting fee not to exceed \$48,000.

### **DESCRIPTION OF SUBJECT**

The YADC funding from the Kalamazoo Community Foundation and contracts between two organizations (Peace Jam/Seeding Change and Speak it Forward) were approved by the Board of Commissioners at the March 19, 2013 meeting. The program has been running successfully with these partners since April 2013. Peace Jam/Seeding Change is terminating their contract because the organization will no longer be operating in Kalamazoo. A Professional Services contract with Mr. Strickland provides continuity for this grant program which is mid-cycle.

### **RELATIONSHIP TO GOALS**

This program addresses the goal to strengthen the capacity of individuals and families at risk within the community to take control of their lives and work toward self-sufficiency.

### **FUNDING SOURCE**

No County funds are required as a result of this action. Funding for this project is from the Kalamazoo Community Foundation and was accepted at the March 19, 2013 Board meeting.

### **PERSONNEL**

There are no additional personnel required.

### **PROCUREMENT**

Procurement for these services was sought and approved as sole source as Mr. Strickland has been involved with the YADC project since its inception. The Kalamazoo Community Foundation funding to support the program involved partnership with an organization,

Seeding Change, and they have terminated the contract. Mr. Strickland's services were associated with the Seeding Change partnership. Mr. Strickland continues to be available through the current grant year, and it is advantageous to the program for continuity of services and programming to enter into a contract directly with Mr. Strickland. In subsequent funding cycles for this program, purchasing policies will be followed for the coordination and programming services currently being provided by Mr. Strickland.

### **ISSUES/CONCERNS**

There are no issues or concerns. If you have any questions, please contact Linda Vail, HCS Director at 373-5160 or at [lsvail@kalcounty.com](mailto:lsvail@kalcounty.com).
