1. Call to Order ~ 4:00 pm
2. Members Excused
3. Approval of the Agenda
4. Approval of Minutes: BRA Minutes of September 25, 2014
5. Citizens Comments (4 minutes each / Please state name and address)
   a. Discussion: 2014 Year to Date
   b. Staff Administrative expenses
      i. 3rd quarter staff expenses
      ii. Mileage Lee Adams
7. Discussion and/or Action Calendar
   a. Discussion/Action – Corner @ Drake
      i. Brownfield Plan Amendment Approval and Timeline
      ii. Development Agreement
      iii. Invoice ET # 00464, $1,165.00
   b. Discussion/Action – CMS/555 E Eliza, Schoolcraft
      i. Review application by CMS/Jaime Clark for BRA funds
      ii. Approve work ET work order #14 for $16,500 for assessment work and BRA Plan
      iii. Review/Approve Brownfield Plan for 555 E Eliza St, Schoolcraft
   c. Discussion/Action – EPA grants
      i. Update on applications for EPA Clean-up grant and Revolving Loan Fund grant
      ii. Approve work order #13 for $3,000 to prepare application for EPA Revolving Loan Fund Grant
   d. Discussion/Action – General Mills Expenses
      i. Update
      ii. Invoice ET # 00465, $420.00
   e. Discussion/Action – Vicksburg Mill
      i. Update on Vicksburg DDA Amended Development Plan
   f. Discussion/Action – Invoice
      i. ET Cost Summary - review
      ii. Invoice ET #00458, $472.50. General Environmental Review, PO #9853.
8. Staff Reports
   a. Next meeting Nov 20th (one week early due to holiday)
9. Committees - times dates and places
   a. Land Bank Report –
   b. Project/Finance Committee – verbal report, meeting schedule Thursday, Nov 6th, 4:00 pm.
   c. Executive Committee – verbal report, meeting schedule Friday, Nov 7th 8:30 am.
   d. PR/Media Committee –
10. Other
11. **Board Member Comments**

12. **Adjournment**

*Next Meeting: 4th Thursday – November 20th, 2014 at 4pm (room 207a, County Admin Bldg)*

PLEASE CALL 384-8115 OR EMAIL LMJARN@KALCOUNTY.COM IF YOU ARE UNABLE TO ATTEND THE MEETING
Present: Julie Rogers, Ken Peregon, Thell Woods, Andy Wenzel, Travis Grimwood, Joe Agostinelli, Christopher Carew, Habib Mandwee, James Spurr

Members Excused: Tim Hudson, Anne Summerfield

Kalamazoo Township: George Cochran

Staff: Lotta Jarnefelt, Lee Adams

Consultant: Jeff Hawkins

Recording Secretary: Kathy Schott

Community: 3

1. Chair Agostinelli called the meeting to Order at 4:04 p.m.

2. Members Excused: Tim Hudson, Anne Summerfield

3. Approval of the Agenda: Contract for Temporary Staffing was added to the Agenda as item 7.g. Carew moved and Wenzel seconded the approval of the agenda as amended. Motion Carried.

4. Approval of Minutes: Wenzel moved and Rogers seconded the approval of August 28, 2014 minutes. Motion Carried.

5. Citizens Comments: None

   a. Discussion: 2014 Year to Date – A spreadsheet prepared by Lotta Jarnefelt was included in the packet. Non-school and school TIR was received for the Midlink Site, totaling $36,637 and $56,377 respectively.

7. Discussion and/or Action Calendar
   a. Discussion/Action – Corner @ Drake
      i. Brownfield Plan Approval and Timeline.
         Project Update – At the Oshtemo Township Board meeting on 9/9/14 the response regarding the Brownfield Plan was not favorable. Rogers stated that the issues raised by the Oshtomo Township Board should be addressed and resolved in follow up meetings. Agostinelli is planning to meet with the Township Supervisor and Planner before they vote on approving the plan at their next meeting on 10/14/14.
      ii. Development Agreement Draft Review – The Development Agreement was reviewed by attorneys at Varnum. The attorneys made several edits and changes. Staff will send the agreement to the developer for review.
      iii. Envirologic Technologies Invoice - $1,653.75 – If approved, this Invoice will exhaust the established budget of $4,000.00. A Motion to approve the invoice totaling $1,653.75 was made by Peregon with a 2nd by Thell Woods. Motion carried.
      iv. Request to Amend Work Order #10. ET made a request to amend Work Order #10 to include an additional $2,000.00 for edits to the Brownfield plan needed after the
CIA decisions and additional staff time anticipated for meeting with Oshtemo Township and the Developer. This amount should complete the project. A motion to approve the amendment to Work Order #10 was made by Carew, seconded by Spurr. Motion carried.

b. Discussion/Action – Vicksburg Mill
   i. Project Update and Timeline – After discussions with the County Treasurer and the Developer, both parties agreed to finalize the sale of the newer portion of the mill on January 1, 2015. This will allow the KCBRA additional time to prepare the Brownfield Plan; the plan will establish a baseline value of $0 if put in place anytime in 2015.
   ii. Project Application – Lee Adams is expecting a revised project application from the developer soon.

c. Discussion/Action - Invoices
   i. Envirolecnic: 9008 Portage Road - $1,497.13 – Hawkins noted that the invoice billed for consultant fees for addressing issues on stormwater management on the site. A motion to approve the invoice totaling $1,497.13 was made by Andy Wenzel and seconded by Rogers. Motion Carried.
   ii. Varnum: Development Agreement Review – Invoice $2,294.25. There was a small discussion explaining the services that were provided and the related charges. A motion to approve the invoice totaling $2,294.25 was made by Spurr and seconded by Mandwee. Motion carried.

d. Discussion/Action – General Mills Expenses
   Hawkins, Adams and Jarnefelt reviewed invoices from General Mills regarding reimbursement of eligible expenses. Staff and Hawkins had some questions regarding what categories the expenses belong in. Follow-up is needed with Tippman Construction – Hawkins will contact them.

e. Discussion/Action – Sign Proposals. Adams led a brief discussion regarding the size, type, cost, and placement of KCBRA project signs. Staff requested authorization to expend up to $525.00 to purchase four signs (2 – 2’x3’ and 2 – 3’x4’). A motion was made by Spurr to purchase the proscribed signs from SignCenter (estimated $506.82) and execute a purchase order, seconded by Julie Rogers. Motion carried.

f. Discussion/Action – EPA Grants – Staff and Hawkins led a brief discussion on EPA Grants. After discussing the various types of grants offered by the EPA, many board members expressed interest in pursuing a clean-up grant for the Vicksburg Paper Mill and another grant for the creation of a Revolving Loan Fund; the board felt that assessment grants have proved too difficult to obtain and that resources should be directed towards other grant opportunities. The board requested a work order from ET to cover the cost of preparing the grant applications. A motion was made by Rogers to move forward with applications for both a site specific clean-up grant for Vicksburg Mill and a Revolving Loan Fund grant, seconded by Wenzel. Motion carried.

g. Discussion/Action – Staffing Services Contract – There was a discussion regarding temporary staffing and the need to replace the hours dedicated to the KCBRA by County staff while the Resource Coordinator position is vacant. A draft Contract between the KCBRA and the Southcentral Michigan Planning Council (SMPC) was presented. Board members had a few suggestions for minor revisions. It was suggested that County Corporate Counsel, Thom Canny, review the contract. A motion was made by Woods to authorize legal counsel to review the contract and give the Chair discretion to approve the contract after legal review. Seconded by Peregon. Motion carried.

8. Staff Reports
   a. None

9. Committees - times dates and places
   a. Land Bank Report – None
b. Project/Finance Committee – meeting scheduled for Thursday, October 9th at 4 pm  
c. Executive Committee – meeting scheduled for Friday, October 10th at 8:30 am  
d. PR/Media Committee – None

10. Other - None

11. Board Member Comments - None

12. Adjournment – Meeting adjourned at 5:37 PM

Next Meeting: 4th Thursday – October 23, 2014 at 4pm (room 207a, County Admin Bldg)  
PLEASE CALL 384-8112 OR EMAIL LMJARN@KALCOUNTY.COM

Kalamazoo County Brownfield Redevelopment Authority (KCBRA)

**Brownfield Plan Summary for**
**Corner @ Drake Road Development**
**NW Corner – Drake Road and Stadium Drive, Oshtemo Township, Michigan**

Gesmundo, LLC is in the process of redeveloping an obsolete residential neighborhood at the northwest corner of Drake Rd. and Stadium Dr. in Oshtemo Township. Gesmundo, LLC has been acquiring property at this location since 1992 ultimately accumulating approximately 39 acres. Many of the houses in this neighborhood were moved to this location over 50 years ago and have passed their useful life. Gesmundo, LLC has incurred costs associated with baseline environmental assessment activities to acquire the multiple parcels as well as additional response activities consisting of asbestos survey, asbestos abatement, and demolition costs incurred razing the obsolete residential structures formerly located onsite. This project will transform a gateway urban location from an obsolete and blighted residential neighborhood into a premier commercial redevelopment. The new investment planned for the site includes an initial approximately 150,000 square foot Costco store with additional mixed-use commercial structures to be built over time in the surrounding development pads which will ultimately result in an investment of approximately $70,000,000 and the creation of over 600 new jobs.

This Brownfield Plan has been prepared in order to provide for reimbursement of eligible activities associated with redevelopment of the subject property through tax increment capture. The Plan details eligible activities that have been completed as well as anticipated eligible activities that will be conducted by Gesmundo, LLC, and the KCBRA. Finally, the Plan provides the capture of (5) full years of tax increment for the county-wide KCBRA Local Site Remediation Revolving Fund (LSRRF).

- **Anticipated Private Investment** – approx. $70,000,000
- **Anticipated new jobs** - 600
- **Total reimbursement to developer** – approx. $373,848
- **Total taxes to Taxing Jurisdictions during Plan** – approx. $307,835
- **Total reimbursement to KCBRA** – approx. $114,000
- **Total tax increment captured for County-Wide LSRRF** – approx. $849,615
- **Total tax increment capture allowed during Brownfield Plan** – $1,337,463
  - *Amount limited by vote of Oshtemo Township Council*
- **Length of Brownfield Plan approximately 10 years or less**
Corner @ Drake Plan Projected Timeline

The timeline for the Corner @ Drake plan is directly impacted by the Oshtemo SoDa TIF Plan. The SoDa plan needs to have final approval before the brownfield plan to legal capture revenue. Therefore, both timelines are listed below.

Updated 10/17/2014

SoDA:

- 8/26/14 - SoDa Board meets to review alterations to the TIF capture and eligible activities based on the County’s policy
- 9/17/14 - TIF plan alterations are presented to the County Committee of the Whole
- 10/7/14 – County Board of Commissioners takes action on the TIF plan

Brownfield Plan

- 8/28/14 KCBRA takes action on the brownfield plan
- 9/9/14 – Staff presents plan to Oshtemo Township
- 10/14/14 - Oshtemo Township takes action on the plan
- 11/05/14 – Staff presents plan to County Committee of the Whole
- 11/07/14 – affected taxing jurisdictions and DEQ notified about pending Brownfield Plan
- 11/18/14 - County Board of Commissioners holds Public Hearing and takes action on the plan

Date ______________
I. Scope of Services

Central Manufacturing Services (CMS) intends to acquire property at 555 E. Eliza Street in Schoolcraft. The property is formerly owned by ELC Corporation. The property is a site of known contamination and is the presumed source of volatile organic compounds that have contributed to area-wide contamination. The condition of the building is severely distressed. The roof (except for the small office portion) leaks significantly. Except for in the office portion, there is no electrical service throughout the building. There is no operating fire suppression system. Overhead doors and docks are not functional. The grounds surrounding the building are generally unimproved. Lake Michigan Credit Union took title to the property in 2011 through mortgage foreclosure processes.

Because of the extensive cost of rehabilitation ($800,000 to $900,000 estimated), CMS has requested assistance in the up-front environmental costs. To secure liability protection for the property, it will be necessary to complete a Phase I Environmental Site Assessment and Baseline Environmental Assessment. No data exists with respect to the potential for intrusion of contaminant vapors into indoor air and additional characterization may be needed to support a Due Care Plan.

The current taxable value of the property is significantly lower than its State Equalized Value and once the property values are uncapped, there will be a significant increase in taxable value. Preliminary evaluations show that CMS’s plans for the building are likely to result in an annual amount of tax increment revenues from local and school taxes estimated at about $6000. This makes consideration of a Brownfield Plan for this site viable. It should be noted that CMS intends to acquire the property in 2014. Thus, to lock in the “initial taxable value” at the current (2014) taxable value, it is necessary to adopt a Brownfield Plan yet this calendar year.

Envirologic is proposing a Work Order to include preparation of a Brownfield Plan, completion of a Phase I and II Environmental Site Assessment, preparation of a Baseline Environmental Assessment and Due Care Plan. The Phase II ESA envisioned at this time would be limited in nature and is anticipated to include the collection of up to five sub-slab soil gas samples.

II. Compensation

Compensation for services provided under this Work Order will be completed on a time and materials basis invoiced at the rates provided in the Contract for Professional Services between ENVIROLOGIC and CLIENT not-to-exceed the budget detailed below without prior authorization from the KCBRA.

- Environmental Due Diligence and Brownfield Plan
  - Phase I Environmental Site Assessment ................................................... $3,000
  - Baseline Environmental Assessment .......................................................... $1,500
  - Phase II Environmental Site Assessment .................................................. $7,000
    (collection of up to five sub-slab soil gas samples)
  - Due Care Documentation ................................................................. $2,000
  - Brownfield Plan .......................................................... $3,000

  Total Estimated Cost ............................................................................. $16,500

III. Schedule

Work performed under this Work Order will be initiated upon authorization to proceed as directed by the KCBRA. Activities are estimated to take six weeks to complete with adoption of the Brownfield Plan to be scheduled for the December 2014 County Commission agenda.
Scope of Services

Contract for Professional Services
Kalamazoo County Brownfield Redevelopment Authority
Applicable to January 2013 Contract
Work Order No. 13 Dated October 23, 2014

Between

KALAMAZOO COUNTY BROWNFIELD REDEVELOPMENT AUTHORITY (CLIENT)
201 WEST KALAMAZOO AVENUE
KALAMAZOO, MICHIGAN 49007-3777

and

ENVIROLOGIC TECHNOLOGIES, INC. (ENVIROLOGIC)
2960 INTERSTATE PARKWAY
KALAMAZOO, MICHIGAN 49048

Subject Matter: U.S. EPA Revolving Loan Fund Grant Proposal
Funding Source: “General” Authority Funds

CLIENT requests that ENVIROLOGIC perform the work described below in accordance with the terms of the above-referenced Contract and as described in this “Scope of Services.”

ENVIROLOGIC will begin work on this Work Order and complete the services as described in the attached "Scope of Services."

ENVIROLOGIC and CLIENT have designated the following representatives for this “Scope of Services:"

Jeffrey C. Hawkins (269) 342-1100
Name (ENVIROLOGIC) Phone

Mr. Joe Agostinelli, Chair (269)-553-9588
Name (CLIENT) Phone

If CLIENT accepts this Scope of Services, please sign this Work Order on behalf of CLIENT and return to the ENVIROLOGIC Representative above:

ACCEPTED AND AGREED TO:

KALAMAZOO COUNTY BROWNFIELD REDEVELOPMENT AUTHORITY (CLIENT)

By Joe Agostinelli By Jeffrey C. Hawkins
Title Chair Title President

Date ____________ Date ____________
I. Scope of Services
The Kalamazoo County Brownfield Redevelopment Authority has expressed a desire in establishing a Brownfield Cleanup Revolving Loan Fund and securing a U.S. EPA Brownfield Cleanup Revolving Loan Fund (BCRLF) grant to establish this program.

Envirologic is proposing to assist the Kalamazoo County BRA in developing a structure for oversight of cleanups at sites using RLF funds. A successful grant proposal will demonstrate that technical expertise, experienced financial management and lending capabilities and management structure are in place. Although final or detailed materials need not be in place at the time of the grant proposal, the proposal must demonstrate how loans and borrowers will be evaluated, how loans will be secured, typical terms, how cleanups will be overseen – including the role of the MDEQ, and show adequate staff and capability to manage the program. In addition, it is necessary to provide a legal opinion from your counsel that demonstrates:

1. You have legal authority to access and secure sites in the event of an emergency or default of a loan agreement or non-performance under a subgrant; and
2. You have legal authority to perform the actions necessary to manage a revolving loan fund. At a minimum, legal authority must include the ability to hold funds, make loans, enter into loan agreements, and collect repayments.

This opinion must cite the relevant state law(s) or local ordinance(s) that allow you access to sites and the authority to manage an RLF. The counsel’s legal opinion must be attached to the grant proposal.

Envirologic is proposing to prepare an application (grant proposal). The grant proposal would include detailed information about the community, potential sites where RLF funds could be utilized, program description and feasibility of success, a proposed budget, a description of how the required cost share will be secured, a plan for involving the community, a description of community partnerships, program benefits and programmatic capabilities.

Envirologic will prepare application materials, organize efforts to secure letters of support, and obtain the required support letter from the State of Michigan. Envirologic will organize up to two meetings to discuss the use of a BCRLF grant and elicit input from the BRA, staff and stakeholders on programmatic capabilities and existing programs that can be used to manage this grant. For example, existing capabilities used to manage EDC revolving loan funds could be used to provide credit evaluations, loan review processes, and other financial management practices.

II. Compensation
Compensation for services provided under this Work Order will be completed on a time and materials basis invoiced at the rates provided in the Contract for Professional Services between ENVIROLOGIC and CLIENT not-to-exceed the budget detailed below without prior authorization from the KCBRA.

Memorandum

To: Potential Applicants for Brownfield Assessment Grant Funding

Kalamazoo County, through its Brownfield Redevelopment Authority (Authority), has limited funding to assist with the redevelopment of Brownfield Sites within Kalamazoo County. This funding must be used for eligible activities on eligible sites including the following:

- Phase I Environmental Site Assessments
- Phase II Environmental Site Assessments
- Baseline Environmental Assessments
- Due Care Plans and
- Clean-up Planning.

Project funding will be considered by the Authority on a case-by-case basis considering the merits of the proposed project and the funding needed. Criteria for project consideration will include evaluating potential for re-investment, job creation, availability and condition of infrastructure, environmental issues at the site and other benefits to the community. All approved activities will be conducted by the County’s authorized environmental consultant.

All applications must be accompanied by a non-refundable $1,500 fee. Please note that should a Brownfield Plan become necessary, an additional $1,000 fee for its development will be required. Either fee may be waived at the discretion of the Authority in circumstances they deem appropriate.

All applications must include a conditional reimbursement agreement should the overall project development not occur. It is Exhibit A as part of the application.

Both the application (and the conditional reimbursement agreement) can be found on the KCBRA web page – [http://www.kalcounty.com/directory/boards/brownfield.htm](http://www.kalcounty.com/directory/boards/brownfield.htm).

You should contact us at phone or fax above or the following email – lmjarn@kalcounty.com. Pre-application contact is highly recommended and will be beneficial to our common interests.

Please provide general information about your project in a cover letter to the Kalamazoo County Brownfield Redevelopment Authority (KCBRA), in care of Lotta Jarnefelt at the address above. The Proposed Project Application must be completed and submitted with your cover letter. Depending on the stage of your project, information may be preliminary or developing. Therefore, please provide as much information as you can at this time. Please make sure you inform us of
your project timeline requirements or flexibility so that we can relate them to KCBRA timelines and funds available to determine if potential assistance can be offered which will meet your deadlines.

Based on a review of your completed application, we will contact you within ten (10) business days to discuss the next steps in the process or if we need additional information. At the meeting when your request is heard you should be present; you will be advised of that date.

Again, if you have any questions, comments or concerns, please do not hesitate to contact us. Kalamazoo County appreciates your interest in the redevelopment of our community.

Best regards,

Lotta Jarnefelt

Lotta Jarnefelt, Director
Planning and Community Development Department
KALAMAZOO COUNTY BROWNFIELD REDEVELOPMENT AUTHORITY

PROPOSED PROJECT APPLICATION

The Kalamazoo County Brownfield Redevelopment Authority has funding currently to assess potentially contaminated or contaminated sites (Brownfields) in Kalamazoo County. Funding may be used for certain eligible activities including: Phase I and II Environmental Site Assessments, Baseline Environmental Assessments, Due Care Plans and Clean-up Planning, e.g. Creation of a site specific Brownfield Redevelopment Plan. All approved funded activities must be conducted by the County’s authorized environmental consultant Envirologic Technologies, Inc.

There is a required application fee as follows: All applications must be accompanied by a non-refundable $1,500 fee. Please note that should a Brownfield Plan become necessary, an additional $1,000 fee for its development will be required.

All applications must include a conditional reimbursement agreement should the overall project development not occur. It is Exhibit A as part of this application (pp. 7/8)

Please provide general information about your project in a cover letter to the Kalamazoo County Brownfield Redevelopment Authority (KCBRA), in care of Lotta Jarnefelt at KCBRA, Room 101, 201 W. Kalamazoo Avenue, Kalamazoo, MI. 49007

You should contact us at phone (269) 384-8112 or the following email – lmjarn@kalcounity.com. Pre-application contact is highly recommended, will be beneficial to our common interests, and will avoid unnecessary delays in processing your application.

This application has been developed for interested parties requesting potential Brownfield funding on a redevelopment project within Kalamazoo County. Project funding will be considered by the Authority on a case-by-case basis considering the merits of the proposed project. Criteria for project consideration will include evaluating potential for re-investment, job creation, availability and condition of infrastructure, environmental issues at the site and other benefits to the community.

Based on a review of your completed application, we will contact you within ten (10) business days to discuss the next steps in the process or if we need additional information. Completed applications include: a cover letter, all application form filled out, and Exhibit A and the appropriate authorized signature to all the documents.

You must be present at the BRA meeting when your request is heard; you will be advised of that date and location when it is scheduled. Please note that the BRA meets monthly on the 4th Thursday of the month, we request the minimum 10 day lead time.
Please provide information in the areas listed below, if available. (Please attach additional pages if needed)

1. Date of Application: 8/26/2014

REIMBURSEMENT AGREEMENT

This Reimbursement Agreement is made as of 8/24, 2014, by and between "Schoolcraft Services" ("Applicant") and The Kalamazoo County Brownfield Redevelopment Authority (the "Authority").

The Applicant has applied to the Authority for funding for Brownfield Assessment and Planning (the "Funds"). The Applicant desires to use the Funds to pay for the costs of "list of proposed eligible activities i.e. Phase I and II environmental site assessment, baseline environmental assessment, due care plan, creation of a Brownfield plan and similar and related costs" (the "Costs") to be incurred in connection with the Applicant's proposed acquisition and development of the property and facility at Schoolcraft, Michigan, currently owned by ______________ (the "Site"). If the Authority grants the application of the Applicant for Funds, the Authority may incur Costs, or obligate itself to incur Costs, on behalf of the Applicant. To induce the Authority to act favorably on the Applicant's application and assure the Authority that the Applicant will reimburse the Authority for any Costs incurred by it if Applicant does not consummate acquisition and development of the Site within one year, the Applicant and Authority are hereby entering into this Reimbursement Agreement.

Accordingly, the Applicant and the Authority, in consideration of the foregoing premises and for other good and valuable consideration, hereby agree as follows, intending to be legally bound:

1. Agreement to Reimburse Authority. If the Authority incurs Costs on behalf of the Applicant with respect to the Site, and if the Applicant fails to consummate the purchase of the Site and commence development of the site within 12 months for any reason, the Applicant will reimburse the Authority for all such Costs incurred by the Authority.

2. Reimbursement Procedure. The Authority may request reimbursement of Costs at any time after the Authority determines in its reasonable judgment that it is entitled reimbursement pursuant to Section 1 above. Such request shall be in writing and shall be accompanied by receipts or other documentation reasonably sufficient to establish the veracity and amount of the Costs being requested for reimbursement. The Applicant shall reimburse the Authority within 30 days after receiving such a written request for reimbursement.

3. Funding Guarantee. The Authority does require posting of security to secure reimbursement to the Authority for Costs. The security could include, at a minimum, a personal guarantee of funds or property or assets as appropriate to assure the Authority that the Applicant will either follow through with the planned activity or reimburse the Authority its Costs.

4. Effective Time; Termination. This Agreement shall govern and become operative if and when the Applicant’s application for Funds is approved and the Authority incurs Costs; the Agreement shall then continue in full force and effect until the earlier of (i) commencement of development by Applicant or (ii) reimbursement of all Costs by Applicant. If Applicant’s application is not approved or the Authority does not incur any Costs with respect thereto, this Agreement shall be null, void and of no further effect.
5. **Miscellaneous.** This Agreement: shall be governed by the internal laws of the State of Michigan; may be signed in one or more counterparts, each of which shall be enforceable as an original; may only be amended by further written agreement of the Authority and the Applicant; is intended to be legally binding on the parties and their successors and assigns; and constitutes the entire understanding of the parties with respect to its subject matter.

In witness of their agreement to be legally bound by the terms of this Reimbursement Agreement, the Authority and the Applicant have set forth their signatures below by their duly authorized representatives.
