Testing of Bathing Beach Water Quality in Kalamazoo County Begins on May 20

Kalamazoo, MI – Kalamazoo County Health & Community Services Department’s Environmental Health Unit will begin annual water quality monitoring of bathing beaches on Monday, May 20, 2019. The Environmental Health Unit monitors water quality weekly at nine public bathing beaches from Memorial Day through Labor Day every year. “Bathing beach sampling occurs annually as a way to ensure safe and healthy public swimming waters for our residents throughout the summer season,” says Vern Johnson, Environmental Health Division Chief. Residents are encouraged to check Kalamazoo County’s website for additional information regarding bathing beaches and weekly updates at www.kalcountry.com/eh/bathing-beach.

Bathing Beaches Monitored by Kalamazoo County

Blue Lake at Cold Brook County Park	Campbell Lake at Robert Morris Park
Eagle Lake at Fort Custer Recreation Area	Gull Lake at Ross Township Park
Hogsett Lake at Prairie View County Park	Long Lake at Ramona Park
Swimmer’s Lake at Markin Glen County Park	Woods Lake at Woods Lake Park
Sunset Lake at Sunset Lake Park
