November 8, 2018: Weekly Update on Kalamazoo County Water Quality

KALAMAZOO, MI — A weekly news release will be sent on Thursdays at 4:00 p.m. with the latest information surrounding all water quality related activities occurring within Kalamazoo County. Residents can also follow www.facebook.com/KalamazooCountyHCS/ or visit www.kalcounty.com/hcs/pfasresponse.php.

Richland

The Michigan Department of Environmental Quality (MDEQ) has begun field work for the Hydrogeologic Investigation in Richland. The map below outlines the study area, previous residential well sampling results, and monitor well sites.

For the latest updates please refer to prior press releases.

Parchment/Cooper Township:

The Michigan Department of Environmental Quality (MDEQ) has formally approved the Remedial Investigation work plan made by Georgia Pacific. Georgia Pacific is set to begin the first phase of work the week of November 12. The first phase will be conducted in public rights-of-way or accessible public property. Additional phases will be conducted on private properties as access to those properties is obtained.

For the latest updates please refer to prior press releases.

Alamo Township

For more information on Dioxins and the Allegan County response, please visit the Allegan County Health Department Website:
