From the Office of Administrator

Each year during the annual budget process, Kalamazoo County Government officials must attempt to match the needs of our officials, departments and the courts with the tight fiscal framework in which we operate. The budget created from this collaboration serves as an outline for how we can best use our resources to benefit the citizens.

In the pursuit of extraordinary governance, Administration and Finance have worked together to develop "The Citizens Guide to 2018 Budget". This short guide was created in an effort to keep citizens informed about the County's budget each year. As citizen input will become an important component in establishing budget priorities for 2019, our hope is that this document will serve as a resource to ensure that citizens have the necessary information to understand how County resources are currently allocated.

This document is available on the County website in the Finance Department section at [Kalamazoo County Citizens Guide to 2018 Budget](#).

Bitterly cold, subzero temperatures have overwhelmed Michigan this year contributing to higher than normal heating bills. Natural gas usage is up nearly 38% compared to last year along with increased electricity use to power furnaces, blowers, fireplace fans and space heaters. Assistance options are available that you may qualify for based on your income and other household factors – Visit [MI211.org](#) or dial 2-1-1. Or visit [Community Action Agency](#) on the Kalamazoo County Health & Community Services website for information on utility bill and deliverable fuel assistance.

Over the past month, the [Kalamazoo County Sheriff's Office](#) has received a large amount of complaints from residents of theft from their mailboxes. Suspects appear to be targeting checks that are being mailed. The checks that are stolen are then forged and cashed for much larger amounts. Numerous suspects have been caught, but the problem still persists.

Thieves appear to be acting as mail carriers, driving from mailbox to mailbox in search of outgoing mail. Please be vigilant when mailing bill payments and if you see any vehicle that appears to be targeting mailboxes call the Kalamazoo County Sheriff's Office at 269-383-8821 x 3.
