COUNTY COMMUNICATOR

The NACo (National Association of Counties) 83rd Annual Conference & Exposition was held on July 13th thru July 16th in Nashville, TN and remains the largest single gathering of county officials held throughout the year. The event draws a cross section of elected officials and county staff from across the country. Attendees from rural and urban counties, large and small budgets and staff – all come together to shape NACo's federal policy agenda, learn, network, and share best practices all aimed to help improve residents' lives and the efficiency of county government.

Kalamazoo County Government officials in attendance at the event this year were County Administrator Tracie Moored, Chairperson Stephanie Moore, Commissioner Michael Seals, and Commissioner Julie Rogers. Featured working sessions included topics on the opioid crisis, emerging technologies and communication platforms, disaster response, and managing local water assets.

“The resources that NACo has available for counties nationally are outstanding”, stated Administrator Moored.

Chair Moore serves on the NACo Committee Presidential Appointments; Programs & Services Standing Committee; Resilient Counties Advisory Board; LUCC Steering Committee; and the Justice & Public Safety Steering Committee.

Commissioner Seals serves on the Veterans Committee.

Commissioner Rogers, a member of both NACo's Health Policy Steering Committee and Next Generation Network, participated alongside other NextGen members to stuff 200 backpacks with snacks, items and hand-written notes for local at-risk youth who attend the Oasis Center, a nationally-recognized organization on a mission to help young people in Middle Tennessee move into a happy, healthy, and productive adulthood.

Every day thousands of people across North America turn to 2-1-1 for information and support. 2-1-1 is a free, confidential referral and information helpline and website that connects people from all communities and of all ages to the essential health and human services they need, 24 hours a day, seven days a week. You'll find information about:

- supplemental food and nutrition programs

- services for veterans
- health care, vaccination and health epidemic information
- addiction prevention and rehabilitation programs
- a safe, confidential path out of physical and/or emotional domestic abuse

August 7, 2018 Primary Election Candidates and Proposals

Polls open at 7:00am – close at 8:00pm

On Tuesday, August 7th, voters will have the opportunity to nominate candidates of their major party for the general election which will be held on November 6th, 2018. What's the difference between a primary and a general election? In a primary election, voters may vote for candidates in one major party only.

Am I qualified to vote? If you are a citizen of the United States, at least 18 years of age on or before the day of election, have been a resident of Michigan for at least 30 days prior to the election, and have registered to vote prior to the close of registration preceding the election (July 24th).

For a listing of candidates, please visit the Kalamazoo County Government website at:

<http://www.kalcounty.com/clerk/august%207%202018%20candidate%20listing.pdf>

For a list of ballot proposals: <http://www.kalcounty.com/clerk/august%207%202018%20proposals.pdf>

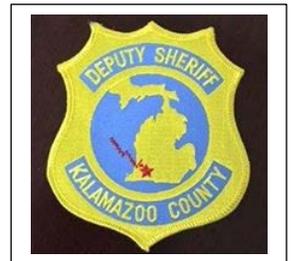

Where do I vote? Each vote must cast their ballot at the polling place designated to serve the precinct in which they reside. If you are in doubt as to where your polling place is, check with the clerk of your city or township. You can also visit the Michigan Voter Information Center Web site at: www.mi.gov/vote *Your vote counts!*

The Kalamazoo County Sheriff's Office is advising residents of numerous incidents reported by area residents that they have received phone calls from persons posing as representatives from the Kalamazoo County Sheriff's Office. The callers are attempting to make people feel they have a warrant for their arrest, or are in violation of a Personal Protection Order. These are attempts to con the resident into providing personal information, credit card information or have them buy gift

cards to pay off a court order. These scams occur from time to time but appear to be very active in recent days in the Kalamazoo County area.

The Kalamazoo County Sheriff's Office would like to remind area residents to be cautious of these calls. If you receive a call that you feel is a solicitation or a scam to hang up on the caller. Do not give out any personal information to anyone you did not initiate the phone call with. If you wish to confirm whether or not an official with the Kalamazoo County Sheriff's Office was trying to contact you, you may call 269-383-8821, option #3 to speak with a dispatcher.

Listed below are other scams commonly seen by the Sheriff's office. For detailed information on each scam, please visit the Kalamazoo County Sheriff's Office on Facebook at:

Kalamazoo County Citizens Police Academy Registration is Open

The Citizen Police Academy (CPA) is an eleven week program that meets once a week on Wednesday evenings from 6:00pm to 9:00pm, starting Wednesday, September 5th and running thru November 14th. The Citizens Police Academy allows citizens to become more educated on Kalamazoo County Sheriff's Office procedures and the pressures associated within law enforcement. They seek and invite a diverse group of people that either live in, or work in Kalamazoo County, to apply. Requirements include that you must be at least 21 years of age, have no felony convictions, and have no misdemeanor convictions within the last 3 years. There is no cost to attend. The class is limited to 25 citizens. Register early!

The Kalamazoo County Sheriff's Office Citizens Police Academy has been established to continue the positive movement in the relationships between the citizens of Kalamazoo County and their Sheriff's Office. The goal is to develop and enhance citizen awareness and understanding of the police role in the community. Through this growing nucleus of responsible, well-informed citizens the challenges, practices, and myths about law enforcement will be brought into focus. Through these cooperative efforts all involved will be able to make Kalamazoo County an even greater place to live and work.

Citizen Police Academy members are given a realistic view of the Department. Topics presented include:

- "Meet the Sheriff"
- Tour of the Court House
- 911 Communications Center
- Tour of the Correctional Facility
- Criminal Investigations
- Crime Scene Processing and Forensics
- Patrol Operations
- K-9 Unit
- Use of Force Training
- Traffic Stops

Presentations consist of lectures, demonstrations, videos, computer presentations, and "hands on" participation. Each participant is given the opportunity to ride with an officer for one shift. For more information on the Citizen's Police Academy and the selection process, please call the Kalamazoo County Sheriff's Office at 269-383-8725 or email Lieutenant Jeff Baker at jmbake@kalcounty.com

Kalamazoo County Animal Services & Enforcement is advising residents to stay away from raccoons behaving in an unusual or irregular manner due to recent reports in the area. This type of strange behavior can be a sign that the animal is infected with distemper. Distemper is a disease which could spread to your pets, killing them if they're not vaccinated. There is no known cure, only a vaccine to help prevention. If you run into one of these raccoons you should call Animal Services immediately at 269-383-8775. If the Animal Services office is closed, you can also call police to have the animal removed.
